

# LITTLE CHANGES, MAKE BIG DIFFERENCES

reuse  
washing up  
water to  
water non  
edible  
plants

grow  
cherry  
tomatoes  
instead of  
big ones

collect and  
use  
cardboard  
tubes to  
sow seeds

grow low  
maintance  
plants, for  
example  
Herbs

use a  
watering  
can to  
water  
plants

collect and  
use rain  
water

Plastic  
bottles  
can be  
used a  
planters

Leave  
some  
areas of  
your  
garden to  
grow wild...

Use peat  
free soil

Grow Patty  
Pans  
instead of  
pumpkins

Learn more  
about how to  
store and  
preserve  
fruit and  
vegetables

reuse coffee  
grounds, and  
rice water to  
make liquid  
feeds
